ANNEXES 1–2

ANNEX 1. List of orchids from the municipality of San Antonio del Tequendama (Cundinamarca, Colombia). Distribution (AFRICA: África; ARG: Argentina; BHS: Bahamas; BLZ: Belice; BOL: Bolivia; BRA: Brasil; COL: Colombia; CRI: Costa Rica; CUB: Cuba; CUR: Curazao; CYM: Islas Caimán; DOM: República Dominicana; ECU: Ecuador; GTM: Guatemala; GUY: Guyana; GUF: Guayana Francesa; HND: Honduras; HTI: Haití; JAM: Jamaica; MEX: México; NIC: Nicaragua; PAN: Panamá; PER: Perú; PRY: Paraguay; PRI: Puerto Rico; SLV: El Salvador; SUR: Surinam; TTO: Trinidad y Tobago; URY: Uruguay; US-FL: Florida; VEN: Venezuela), the life form (Epiphyte E, Lithophyte L, Geophyte G), the phenology (month of flowering and fruiting) and we present in the column “Other research” the specimens recorded in other research in the herbaria ANDES, BOG, COL, FAUC, UDBC, HPUJ, HUQ and JBB. In addition, species that were collected and are stored in the living collection of the Botanical Garden of Bogotá are highlighted with an ×. Species not sighted in this research are highlighted in bold.

Species	Distribution	Life form	Phenology		This research		Other	See Fig.
			Flowering	Fruiting	JBB Vouchers	JBB Living
